Free admission to 128 venues across Warwickshire, exhibiting over 250 local artists and designer makers

18 June - 3 July 2016

warwickshire open studios

An art exhibition around every corner – and it's all free!

Step inside to meet artists at work in their homes and workshops

Welcome to Warwickshire Open Studios 2016 – the county's biggest free arts event

Saturday 18 June – Sunday 3 July

Plan your own relaxed and friendly trip of discovery to view, buy and commission the work of local artists and designer makers at over 100 fascinating venues across Coventry and Warwickshire.

On leafy urban streets to off-the-beaten-track towpaths, in Victorian villas to two-up-two-down terraces. There are quirky sheds, historic barns and cleverly converted industrial buildings, and lots of lovely gardens each with a wonderful mix of art just waiting to be discovered by you.

You'll get a warm welcome from us all with plenty of Open Studios 'regulars' as well as new faces, with paintings, ceramics, sculpture, jewellery, textiles, glass, furniture and musical instruments to enjoy in original, colourful displays. And in the tradition of Open Studios across the UK lots of delicious refreshments too!

Enjoy chatting to artists, watching demonstrations, discovering 'work in progress' and the chance to have a go yourself.

We've been doing Open Studios for 14 years here in Warwickshire – come and find out why people visit us year after year and say 'it's the best fun you can have for free this summer'.

Look forward to meeting you soon!
The Warwickshire Open Studios Artists

Warwickshire Open Studios is run by a voluntary team who are all artists themselves.
